# EZEKIEL COVENANT

Abia State, Nigeria | 07012118343 | ezekielcove@gmail.com

## PROFESSIONAL PROFILE

Adaptable professional with experience in sales, customer service, business operations, cash handling and computer instruction. Trained in computer applications and graphics design, with a growing focus on web development. A fast learner who enjoys research, learning new tools and helping people build practical skills. Seeking opportunities across administration, general operations, computer-related work and entry-level web development as skills continue to grow.

## CORE SKILLS

- Administrative support and day-to-day business coordination
- Customer service, retail sales and product assistance
- Receiving payments, recording collections and reporting to the business owner
- Stock checks and basic inventory monitoring
- Computer instruction and practical learner support
- Microsoft Word, Excel, PowerPoint, Publisher, Access and WordPad
- CorelDRAW and graphics design
- Peachtree accounting software
- HTML, CSS, JavaScript and Python — currently learning

## WORK EXPERIENCE

**Computer Instructor | Computer Training Centre, Aba**
*June 2026 – Present*

- Teach students basic computer operations and applications.
- Guide learners through practical exercises and support their development of computer skills.

**Bookshop Salesperson | Binfat Computer**
*27 November 2024 – 15 June 2025*

- Sold books, exercise books, cardboard and other school supplies.
- Assisted customers in selecting educational materials and supported daily bookshop activities.
